EVERYTHING HAPPENING AT ST. JOHN'S THIS WEEK (AND MORE)

Once again, St. John's members came through and have given generously to our drive to collect thrift shop items for the Oklahoma Foundation for the Disabled. Look at the smiles on the faces of this great gathering of helpers from the foundation. They showed up to load a small mountain of items, including the old couch in the school. These donations will make a difference. Thank you!

This week has been exciting with teachers, children, electricians, HVAC guys, and OKFD, in and out of our school space. Painting begins on Monday, the flooring soon to follow. And we continue to dispose of or move a lot of items out that have collected in the school over the years. We're almost there.

And even in the chaos of moving stuff in and out, from one classroom to another, there are some teachers that are beginning to set up their classes. Our prayers continue for the Crum family, teachers and all involved in this swift makeover of St. John's school annex.

Here is your [bulletin for this Sunday](#). Hope to see you in the pews this weekend.

Peace be with you!  
Nancy

### **BC Clark Gives and Gives**

Did you know that BC Clark gives back a 3% of sales to women's ministries. We recently received a nice quarterly gift. All you have to do is **ask for, and complete, a Church Coupon next time you make a purchase at BC Clark.** And you don't have to wait for the Anniversary Sale.

### **New St. John's Security Measures:**

In light of recent events, the Bishops Committee has been reviewing our safety and security guidelines. **As a safety precaution, a member of Bishop's Committee (BC) will lock the front door of the church after the Sunday service begins.** The BC member will remain near the door, for the duration of the service, to provide access for anyone arriving late for the service. Safety precautions are under review for other services. More to come.
